

SteelBridge

We simplify change exclusively for the alternative investment industry

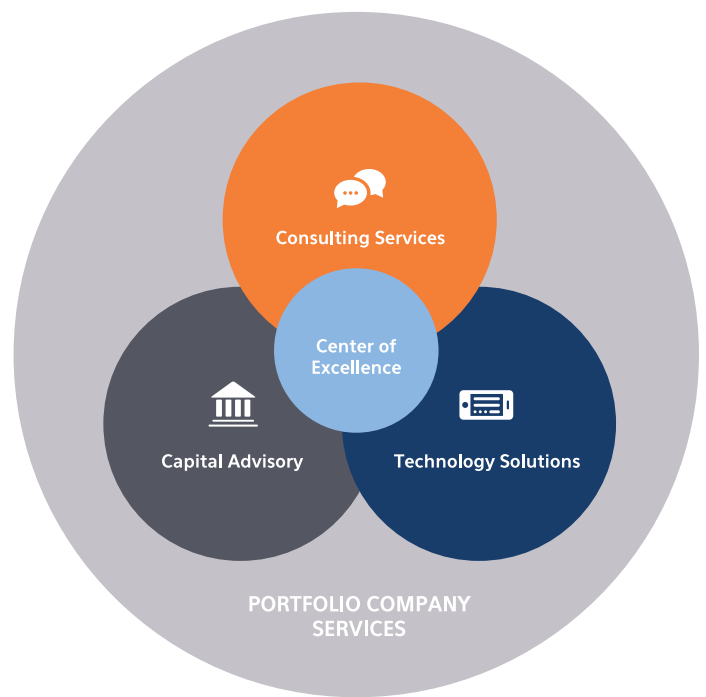

SteelBridge is a boutique fund advisory services firm with expertise in alternative investments. We have a passion for helping our clients identify and affect change to improve process and technology for more effective organizations.

WE CREATE CHANGE

We believe that expertise and white-glove service are paramount for best servicing our clients, and affect change to help our clients solve their most complex business challenges. By leveraging our experts we can help you deploy a well-orchestrated operating model to best position your fund in the marketplace and create overall operational efficiency. Having SteelBridge by your side gives your firm the opportunity to enhance overall performance while focusing on what's important - making and managing investments.

WHAT WE DO

We provide advisory services to alternative asset investment managers, investors, third party administrators, software vendors and portfolio companies. We provide comprehensive capabilities to integrate all stakeholders in the investment lifecycle.

Start addressing your alternative investment business challenges today
