

Assumption Church Fish Fry Bellevue, Pennsylvania

Every Friday during Lenten season, the Assumption Church/School Fish Fry comes to McGovern Hall in Bellevue, PA. The event is designed to:

- Provide a meat-free meal during Lenten Season
- Raise funds to support activities at Assumption Church and Assumption Catholic School
- Enhance the sense of community among residents, parishioners, and the Catholic school families.

The Assumption Church Fish Fry is known for its fish sandwich as well as for its table service, making it easier for large multi-generational families to attend. The Fish Fry recently made it to the Elite Eight of The Incline's: The Ultimate Pittsburgh Fish Fry.

Who's Involved...

SteelBridge COO Jay Schmitt volunteered in April 2017. As volunteer, Jay was responsible for assisting the Line to make sure customers received their food in a timely manner and hot from the kitchen.

Jay will also plan on volunteering next year during Lenten season as well. The SteelBridge Team is anxiously awaiting the year he volunteers to cook!
