SteelBridge Center of Excellence (CoE) is a long-term scalable managed services model that offers access to SteelBridge resources, processes and technology. CoE augments your operational and technical needs by providing a multidisciplinary group of highly skilled and experienced staff who operate across our consulting, capital advisory and technology service platforms.

WHY CHOOSE STEELBRIDGE CENTER OF EXCELLENCE?

- Operational risk is now a focal point
- Capital raising and fund growth are straining operational capacity
- Favorable investor view on outsourcing operations
- Cost effective approach compared to fund administrators and accounting firms

	Fund Incubation Model	Fund Growth Model	Fund Support Model
Manager Type	Emerging or Single Fund Managers	Growing Multi-Fund Managers	Established Multi-Fund or Multi-Asset Fund Managers
Why	Stay lean while you cultivate your funds and grow your investor base.	Build an institutional platform that utilizes more sophisticated investment technology for operational efficiency, transparency and control.	Save costs by relying on our industry experts who automate labor-intensive functions to simplify all investor and regulatory touch points.
What	Turnkey back and middle-office services for start-up managers allowing you to focus on your deal and investment pipeline while we help manage your back office.	Specialized services for growing managers to institutionalize business practices by carefully deploying and leveraging processes and systems that investors and regulators expect of successful managers.	Concentrated support services for highly industry specific functions, using proven industry resources on a flexible usage basis. Customized, state-of-the-art processes and technology to introduce repeatable, scalable business functions.
